

General Hunting Rules for Sandhill Wildlife Area

- At the time you enter Sandhill Wildlife Area, you must complete the Hunting Permit Card with your name, city, state and date. Failure to do so may result in citation.
- While hunting on Sandhill, hunters must possess a valid Hunting Permit Card.
- Hunting is allowed only in the **South Half** of Sandhill Wildlife Area- see [map](#).
- Areas closed to hunting are posted. These include the Sandhill Headquarters area, the Bison Range, and the **North Half** of Sandhill.
- Reverse travel is prohibited on all one-way roads (Trumpeter Trail).
- Exit only through the Exit Gate.
- All gates are locked one hour after legal shooting hours and unlocked one hour prior to morning shooting hours.
- There is no overnight parking or camping at Sandhill's entrance parking lot or in any other undesignated area on our property.
- You may hunt only those animals specifically authorized on your Hunting Permit Card. Hunting of any other wildlife (including predators) is prohibited.
- All current **Wisconsin Hunting Regulations** are in effect on the area.
- Walking trails are posted and gated for walk-in hunting only- NO VEHICLES are allowed.
- Permit cards, licenses and bags must be displayed to any DNR personnel upon demand.
- It is mandatory that all hunting effort questions on permit cards be completed and deposited into the drop-box at the exit gate. Failure to do so can jeopardize hunting at Sandhill.
- All violations will result in prosecution under applicable state statutes or codes and may result in loss of hunting privileges.
